

## BID Steering Group

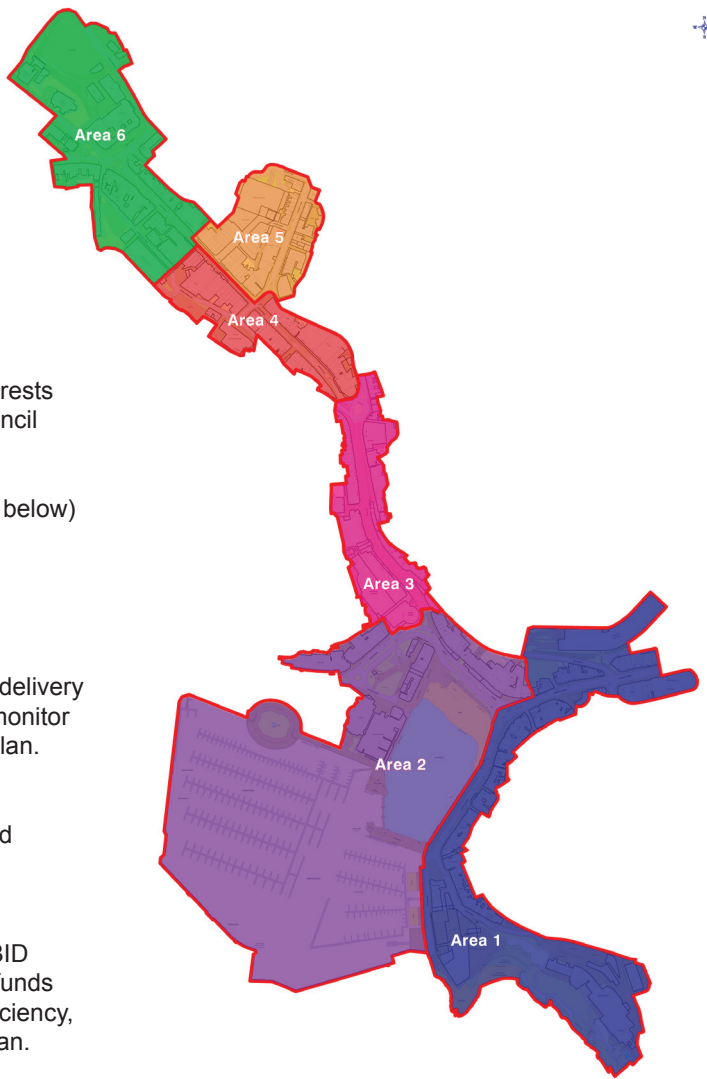

The BID Steering Group (BSG) established to represent the interests of the BID levy payers (BLP), the TTCCo Board and Torbay Council comprises:-

- 6 elected representatives of Torquay BID levy payers (see below)
- 2 Directors of TTCCo.
- 1 representative from Torbay Council.
- The Chief Executive TTCCo - Lucy Ball
- The BID Operations Manager - Ian Broadfoot

The BSG has no legal or financial powers, but will influence the delivery of the BID. The group will meet on a regular (monthly) basis to monitor progress and to direct the overall delivery of the BID Business Plan.

The BSG will be responsible for ensuring that the Business Plan is delivered, setting performance targets and for liaising with, and representing the views of levy payers and holding the TTCCo to account for the delivery of the BID.

Subject to the ratification of the TTCCo Board of Directors, the BID Steering Group will have discretion when necessary to transfer funds between budgets in order to achieve best value or maximise efficiency, provided it does not compromise the delivery of the Business Plan.
